SUPPLEMENT TO  
REPORT NO.

- Members of the Schaerbeek Section of the Belgian Communist Party were instructed by Emile Relecom, the political secretary of the Brussels Federation of the BCP, at the 11 January meeting, to prepare a work plan with concrete objectives aimed at producing a valid program to present to the BCP before the elections scheduled to take place in the latter part of the year. All BCP Federations have been alerted and are considering lists of possible candidates for Provincial, Chamber and Senate posts. Members were advised to devise various ways to obtain funds for the coming electoral campaign.
- Also discussed were administrative details of the organization, such as cadre representation and the duties of the secretary, the supplying, financing and circulating of the publications La Commune and Femmes, and the establishment of a cultural center which could fill the entertainment needs of the section's members. Reference was made to the advance of Communism abroad, to successes in China, Greece, Indonesia, the Indies, etc. and to its increasing strength in Belgium.
